

## American Lincoln Parts

Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are known in the business as providing strong and durable machinery that satisfies all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors. The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide machinery, parts and warranty service for these kinds of scrubbers that carry both the Clarke and Encore logos. The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where results and efficiency count. Lately, this particular floor scrubber model has been requested by the architects in different construction projects like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
