TREK Cleaning Machines is a manufacturer of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to offering top quality and new design concepts in order to meet the diverse requirements of their clients. TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They enjoy offering products that energize both their dealers and their partners and offer production gains to their customers. The team at TREK likes dealing with new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills along with their comprehension of cleaning applications, along with owners' strong desire to dramatically lessen cost through productivity gains. When required, the staff members within TREK and its various dealer members in both parts and in technical support will be accessible. Among their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines ready and functioning everyday is top priority. The company's top of the line technology delivers reliable machinery which eventually lowers your cost of cleaning. The price, the service and the product all work together in order to make them the leader in the business.
