

Fork Mounted Sweepers

This particular attachment really makes industrial sweeping work a lot easier to accomplish. The versatile forklift mounted broom is meant for use with either dry or wet material clean ups. It could squeegee water and push snow without difficulty. This accessory is frequently utilized to clean garbage from warehouses, construction sites, docks, parking lots and nearly anywhere it is needed. The forklift sweeper is a low maintenance accessory that utilizes quick-tite tine products to effortlessly mount to the forklift.
